This event highlights 'locavore' opportunities in Essex County. Savour an afternoon by the Lake tasting locally grown foods and fine wines. Enjoy live music and demonstrations. Also providing 'food for thought' — local farmers and food producers share their specific knowledge about the delicious bounty that our region offers.

Pre-registration is required.

Spaces are limited.

To register: 519-738-2029 or jrph@erca.org

Locavores challenge themselves to eat foods that are produced within a 100 mile radius of their home. Eating locally benefits the consumer and is also a 'green' choice offering environmental benefits too!

The Homestead is located at: 915 County Road 50 East on Lake Erie between Kingsville and Colchester. A 45 minute drive southeast of Windsor.
