Sustainable Management Strategy for Southeast Leamington Communications Survey

To provide meaningful information exchange and input into the range of options for sustainable management of Southeast Leamington, stakeholder participation throughout the process is critically important. Communication and feedback are also important to each phase of this process. In order to determine the best ways in which we can share information, please fill out the short survey below to help us develop the most effective communications methods:

1. Please identify the media outlet from which you gather most of your information:

❑ Windsor Star ❑ Leamington Post
❑ CHYR Radio ❑ CKLW Radio
❑ Television Station:_____
Other:_____

2. Please identify the way in which you would like to receive information about the study:

❑ Canada Post Mail ❑ E-mail
❑ Download from website (www.erca.org) ❑ Public Presentation
Other:_____

3. As technical findings on the Sustainable Management Strategy for Southeast Leamington are researched and analyzed, would you be interested in attending more public presentations?

❑ yes ❑ no

4. Do you have historical information about the Lake Erie Shoreline and associated floodprone areas of Southeast Leamington that you would like to share?

❑ yes ❑ no

5. If yes, how would you like to share this information?

❑ At a workshop ❑ In writing to the consultant

Other:_____

6. **What is your primary interest in the study?**_____

_____
